

# THE LAMPLIGHTER

---

We have some temporary systems in place to help protect our guests, staff and contractors which are subject to change. The main changes are reduced table capacity, improved cleaning procedures and we will be providing table service at all times – with an app coming very soon.

The changes include:

- All points of contact regularly cleaned.
  - Antibacterial stations clearly displayed throughout the premises for your use.
  - Toilets regularly checked and cleaned by a member of staff (entrance doors may be open to assist in adequate ventilation).
  - Please only leave your table when you need to visit the toilet. Children under 12 must be accompanied by an adult (only two people will be permitted to use the toilets at any one time).
  - The downstairs toilet is available for those with mobility issues or for baby changing use only (please speak to a member of staff).
  - We welcome quiet, well behaved dogs, which must remain on a lead at all times and not be allowed to interact with other guests.
  - Smoking spaces are limited to four people standing in the garden at any one time which are clearly marked. We are discouraging smoking at the front of the building.
- 

We understand that the following points are especially difficult as you naturally want to greet friends that you have not seen in some time but it is important that you **DO NOT** :

- RAISE YOUR VOICE
- SING
- DANCE
- ENGAGE IN ANY FORM OF PHYSICAL CONTACT (handshaking, hugging people from different households etc).

These measures are in place to reduce the potential risk of transmission and to keep us all safe. We must all adhere to these in order for us to be compliant with government guidelines, those not following these requests may be asked to leave the premises.

---

**THANK YOU FOR YOUR UNDERSTANDING, WE ARE ALL IN THIS TOGETHER AND IT'S GREAT TO HAVE YOU BACK!**

**WHILST WE ORGANISE YOUR DRINKS, WE'LL NEED YOU TO FILL IN THE FORM ON THE REVERSE OF THIS CARD.**
